

YOUR HISTORIES of NORTH OAKLAND

Sights, Sounds, & People from the Recent to the Deep Past

1. The creek going near the Claremont DMV
2. and the area by the Chevron gasoline
3. station on Telegraph Avenue are very
4. interesting water-shead paths through
5. North Oakland and the creek, now much
6. in culverts under streets and homes
7. needs to be recognized for its animal, plant
8. and early Native American history.
9. Parts of this special creek are still
10. above ground and exposed to be seen.

Thanks for making history!
